Master in Growth Hacking at the TAG, Talent Garden Calabiana, Milano.

SILICON VALLEY STUDY TOUR | 2013

Selection for the Silicon Valley Study Tour, in close contact with the best IT companies in Silicon Valley.

*I feel annoyed about bad things
I turn everything into a procedure
I optimize the possible through automation
I don't leave anything open
I have an overview and connections*

*I use vertical and lateral thinking to go deep
I always define the next step
I am oriented towards the team goal
I don't sleep much
I dedicate a lot of time to reasoning activities*
